## TESTIMONIAL

“Sophie and Amy provided us with a great evening for our networking tour. We had 20 guests and all had a great time, with a good balance of drinks, food and interesting anecdotes! The short brewery tour was a great touch, and the changes of venue allowed for mixing of our guests so that everyone managed to catch up with everyone else. We made it to the final venue with all guests still keen, proof that the format was a hit. We would definitely recommend!”
